

Monthly contributions

Three or more children under 18 years?
Members pay monthly contributions for only two of your youngest kids on MedVital, MedAdd, and MedPrime

Child dependant rates apply until the age of 26 years

Important: On plans with savings accounts, a credit facility equalling the monthly contribution to the personal medical savings account multiplied by 12 months will be available at the beginning of each financial year. If you join after January, the savings amount and benefits will be calculated based on the remaining months in the year. Savings not used are transferred to the next year. Please note that late-joiner penalties were not taken into consideration.
